## Spirit Week: September 27 — October 2

Spirit Week opened with Com As You Are Day, which had an expectedly terrific response. On Red, White, and Blue Day, Custerites dressed in All-American colors to follow the Cen-bi-tritennial theme. On Bibs Day, basic overalls were worn, but some of the more adventurous could not resist wearing baby bibs as well. Crazy Hat Day topped off Thursday, and Friday was traditional Red and White Day complete

with Homecoming mums, balloons, and a pep rally. Enthusiasm intensified Saturday as the parade marched through Custer territory before the beginning of the game. Fans, wild with excitement, watched the team capture a 40-0 victory over East, convinced that Spirit Week could not have had a happier ending.

The Homecoming Dance was well attended. The band "Step by Step" provided the music. The Homecoming ceremony is now at its end, but the memories still remain.

# Powder Puff Soccer

The Powder Puff soccer game was held in Custer's stadium on October 21. The purpose of this game was to raise money for the March of Dimes. The juniors and sophomores played against the seniors, and were coached by players from the Boys Soccer Team. The first goal was scored by a junior, Tammy Powers. The seniors then came back and Mary Pelzer and Lynne Walter each scored a goal. Tammy Powers then scored again to end the game in a 2-2 tie.

# And Football

After two weeks of early morning practice the Girls Flag Football teams met eye to eye on November 17 in the stadium for the benefit of the March of Dimes. The game started off with a fast touchdown by Shauneille Harrell. Mary Zahn then scored in the third quarter to make the score 12-0. The sophomores and juniors just could not contain the explosive offensive of the senior team. The juniors and sophomores ran with the ball a lot, but could not gain much yardage against the tough senior defensive line. Next year the senior team will have great experience and keep up the winning tradition of the seniors.

# The King Kong

# Gong Show

# Variety Show

The Variety Show, on November 13, was fashioned after the popular television program "The Gong Show." None of the regular skits were gonged, only the staged ones were. The show was led by a panel of eight M.C.'s and King Kong. These people contributed to the introduction and smooth running from one act to the other. They also added some comic relief in between the performances. There were 21 acts with a wide variety of talents including modern dancers, singers, skits, mock commercials, bands, the color guard, and the drill team. The rock band "Ritual" was voted the best.

1976

# Winter Music Festival

The music department added its own magic to the spirit of the holiday season at the annual Winter Music Festival. Complete with Santa, a Color Guard routine, and of course, traditional carols, the festival touched the serious and light side of the season. The voices of A Cappella, the Glee club and Gospel Choir warmed away winter's

chill, as did performances by the band and orchestra. The audience was also treated to the jazz ensemble's rendition of "A Fifth of Beethoven," which included the sound of their new synthesizer. The festival's variety highlighted the talents of Custer's singers and musicians.

# Brotherhood Day

In an effort to encourage successful integration, the Theatre Arts class staged a special program that recognized the need to respect the rights of all people. An emphasis on individual feelings rather than group interests had a unifying

effect on both performers and audience. The success of this student production can be measured by the positive reactions that prompted a repeat performance for all classes that were not selected for the first showing.

# Halloween Dance

Every Halloween, Custer students have the opportunity to attend a free dance. Even though the turn out was light this year, no one was frightened away by the vampires, gorillas, or devils who decided to spend the witching hour in Custer's

gym. In addition to the jukebox, live music was provided by Ritual. Prizes for bravery, if not creativity and originality were given to the 3 best costumes before the masqueraders left to find new haunts.

## Study Halls Can Be Fun

The regular study halls are very sparsely populated. There are other options where students go. Any student who has above 2.2 grade point average and no U's in conduct may go to the Reservation. This alternative furnishes two ping-pong tables, one pool table, one futsal table, one juke box, and

a variety of pinball games. The people who go there really enjoy their study hall. The library is another place where many people study every hour. This room is supposed to be used for quiet reading and research work, but is frequently used for communicating with friends.

# Free Wheelin' Student-Faculty Basketball Game

On January 21, Student Council sponsored Custer's 1st concert by presenting Freewheelin', a 5 piece group from Champaign, Illinois. The band performed a short history of rock and roll and then spent the day talking to interested Custer students. Although rock fans knew the doors would not open till 7:30, they began to line up as early as 6:30 for the 8 p.m. performance. The crowd, 800 strong, listened to Rit-

ual open the concert before Freewheelin' took over the stage. The rowdy audience enthusiastically followed the lead singer's band clapping and foot stomping encouragement. For audience and performers alike, the show was a mutual success; Custer gave Freewheelin' its first encore performance, and Freewheelin' brought Custer its first rock concert.

# Annie Get Your Gun

To prepare for Annie Get Your Gun cast members began learning lyrics, practicing steps, and rehearsing lines in mid-December. After 3 months of work, they had grown into a family of actors, singers, and dancers, ready to share their energy with a hopefully receptive audience. Along with Mr. Ganser, artistic director for the first time, the cast experienced both camaraderie and twinges of panic as opening

night drew near. Under the technical direction of Mrs. Werner, the stage crew created a set that was visually breathtaking, while Mr. Chadwick's pit band provided the all-important musical background. When the curtains went up on March 4 and 5, the audience was captured by the energy and magic of the performance.

## Tomorrow: Saying Good-by,

# Remembering Laughter, Reaching Out,

## What Are Your Roots?

Sgt. William Alex Haley came to Custer on March 21 to talk to the students about his father's book *ROOTS*. There were two programs so that all the students could hear Sgt. Haley. Some of the students asked questions and Sgt. Haley responded with information and advice. The students then went back to home-room and tried to trace their roots.

# Do You Want To Buy A Candy Bar?

This school year was plagued with the gigantic task for fund raising. Almost every club in the school has some kind of fund raising event. Mums were sold for Homecoming and carnations were sold for Valentines Day and Prom. We can't forget the tremendous candy bar sales which flooded the school. Some of the clubs sell stationery, candles and jewelry. Dinners and bake sales are held to raise money. A day rarely goes by without someone in your class asking you to buy something.

# Holding On To Friendships And Memories

# Junior Prom

# "When I Need You"

A fashion show, crowning, carnations, long formal dresses, tuxedos, bouquets, corsages, garters, cameras, dancing, "Freetime," but most of all happy carefree couples of young people. What do all these words symbolize? Why prom of course - Prom 1977! This yearly event was almost cancelled due to the teachers' strike, but with Mrs. Werner in charge somehow we knew she'd pull prom through. With the help of Mr. Ganser and our dedicated stage crew the setting, lights, and decorations for the fashion show, crowning ceremony and prom were all prepared. Friday night, May 27th, was the date set for the dance in the school cafeteria. Here, you found the room fully deco-

rated with spring colors and rainbows. Against the south wall, the band "Freetime" played from 8:00 until 11:00 p.m. The couples then traveled to the restaurant of their choice, and from there headed on to the Pfister Hotel (where post prom was held) for more dancing. After a long night couples gathered at Freiss Lake for a picnic and swimming. The 1977 Prom Court included (see picture on p. 34) Diane Mills, Henry Wilson, Debbie Schleicher, Karl Lichteig, Tijuana Johnson, Ronald Fudge, King - Mike Pirwitz, Queen - Lisa Ackerman, Lynn Mortag, Mark Wyss, Becky Butterfield, Mike Cianciolo, Mary Steinacker, Claude Cielonko.

# Graduation

Everyone's memories of Graduation are similar, and yet each person has his very own impressions of the significant event: caps that are either too large or too small, billowy gowns, tassels that hang on the right side, walking across the stage at the Performing Arts Center, a feeling of relief, arrangements and confusion after the ceremony, wishes of congratulations and good luck, hugs and kisses, cameras flashing, a feeling of sadness, celebrating, partying at the lakefront.

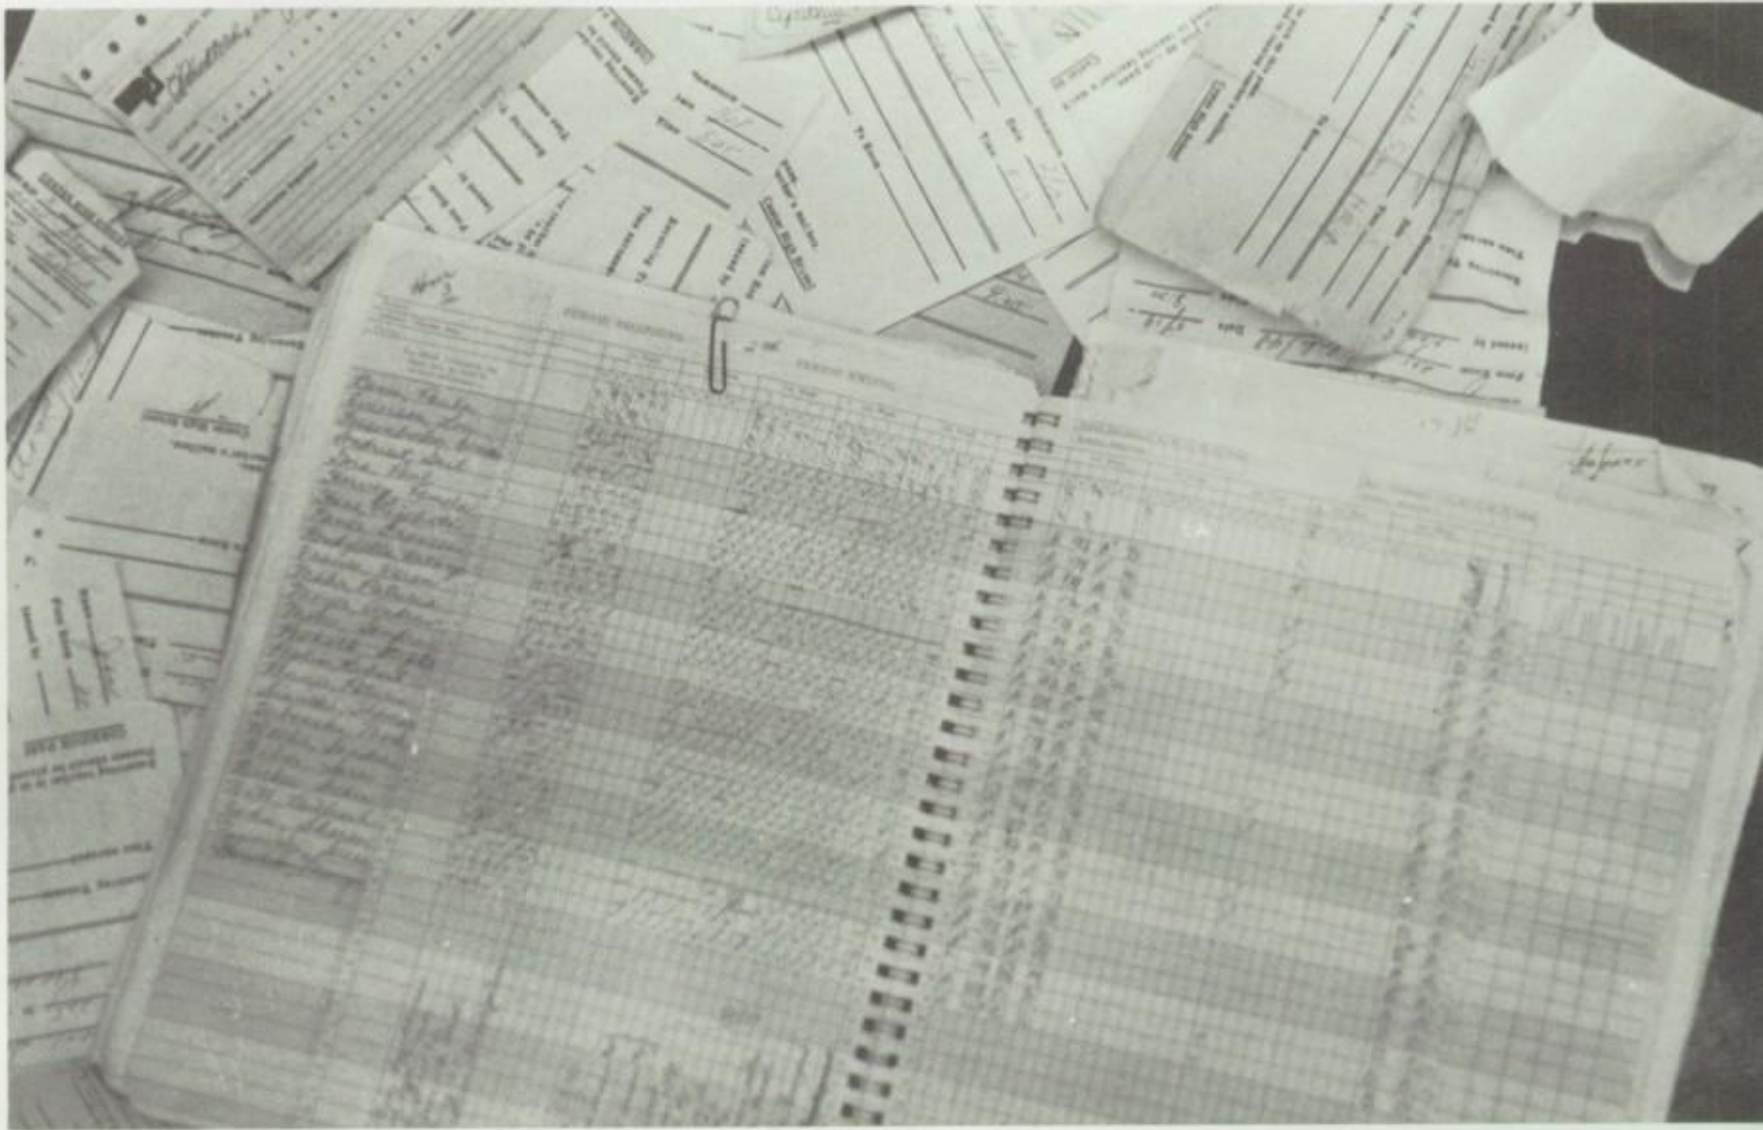

The solemn occasion is preceded by Senior Week. During this time of organized activities and general rowdiness, a senior could receive awards at Honor Night, enjoy pancakes and sausage at the senior breakfast, get a little 'happy' at the Senior Banquet, get a refreshing swim in Freiss Lake (with the assistance of friends who didn't even wait till you could get your shoes off), and participate in Prank Day. Yes - Prank Day. In the true spirit of mischievousness, seniors risked life,

limb, and olfactory lobes to toilet paper the front of the building, block the teacher's parking lot in three different ways, paint over locker numbers on two floors, and distribute bushel baskets of Bradford Beach alewives. That was only the beginning. During the day, bubble bath foamed in the toilets, students picketed teachers, and squirt guns hit many a target before they could be confiscated. Although such endeavors went unappreciated, this year's senior pranks may long be unequalled.

The Guidance Department, that mass of utter confusion and horrendous paperwork, is in high gear the entire year. Programming errors, teacher conflicts, dropped classes and scheduling mistakes that demand immediate attention cause hundreds of students to pile in to see the grade level counselors - all within the first week of school. As October rolls around, and nearly everyone's program is finally set, a new wave of college-bound seniors descends upon the Guidance Department requesting information on every aspect of college life, but especially on the umbilical cord of higher education - financial aid. The unending hassling of Guidance Department personnel, however, is not an art limited to college bound seniors alone. All students manage to keep our counselors busy with aptitude tests, interest surveys, and vocational counseling, among other services, until May creeps up when programming and Graduation have the counselors climbing the walls once more.

# English

The English Department's main objective is to help students to read, to write, and to speak more effectively. This is accomplished by offering the students a diversified curriculum with at least one course that appeals to each personality. These courses range from basic grammar, composition, and literature classes to more creative classes in writing, drama, and communications. The clear expression of original ideas is the ultimate goal of this well-trained department.

## Social Studies

The Social Studies Department has more to offer than just History and Geography. The department offers courses such as Economics, Sociology, Minorities, and Urban Studies. Department Chairperson Siesen says "We offer a good curriculum if the students take advantage of it." The department feels that their curriculum prepares the students for life by teaching them to function in a democratic system and to get along with others.

# Mathematics

Algebra, Geometry, Advanced Math 1, 2 and 3, Computer Math, and Business Math are all offered in this department. Learning the value of  $x$ , geometrical proofs and how the computer operates are a few of the basic things you learn in these courses. Talented math students compete with students from other schools in Math Track Meets.

We have a variety of courses students may take if they are interested in the field of science. Biology is usually taken by sophomores. They learn about the human body, plants, animals and one-celled animals. If a student is intrigued by Biology, he may also take the course Advanced Biology. In chemistry students experiment with different chemical combinations. Physics, a mixture of math and science, deals with matter and energy and interactions in the fields of mechanics, sound, optics, heat, electricity, magnetism, radiation, atomic structure, and nuclear phenomena. You can also find out about your environmental surroundings in Environmental Issues. Water and air pollution, extinction, sound in decibels, and foods people eat and grow because of their surroundings are all discussed in this course.

## Physical Education

This year was the first year all Physical Education classes were Co-ed. From swim, tennis, baseball, basketball to ping pong, skiing, cross country and volleyball, the males and females were side by side enjoying every minute of it. The chairperson, Mr. Henderson, has done a great job this year of getting the program together. The teachers have made Phy. Ed. a very enjoyable class which most students take with enthusiasm.

## Special Education

The essence of the Music Department is Custer's school spirit. Combining the efforts and talents of the school band, orchestra, gospel choir and A Capella choir, the Music Department has a unique, enthusiastic vitality which underscores the atmosphere of growth and development at Custer.

Relevance and usefulness are the two key words to describe the Special Education Department. The curriculum is designed around the students' needs and provides them with the information they need to become active, responsible citizens. These students learn how to prepare a budget, how to determine the best buy at a store, and how to apply for a job. The program stresses those skills which prepare a person for independence.

# Business Education

The Business Department is one of the largest and most active departments in school. Practically the whole top floor of Custer is equipped with commercial devices such as typewriters, calculators, IBM selectrics and duplicating machines. In programs such as Office Ed. and Dist. Ed., students work at jobs for half a day and earn money as well as credits. The experience gained in these courses prepares students for the business world.

Art courses are among the most popular non-required classes offered at Custer. Where else could you squish your hands into a lump of clay or experiment with darkroom techniques? From introductory classes that teach the basics to advanced workshops that encourage masterpieces, students earn the satisfaction of crafting original, if not quite beautiful, paintings, pots, and pictures.

# Industrial Education

Because of its reputation in the Industrial Education field, Custer was chosen to be the Applied Technology Specialty School. Applied Technology includes courses in Airconditioning, Refrigeration, and Plastics Technology. This past year two new shop rooms have been built in Rooms 21 and 22 and are ready to accommodate the Juniors and Seniors taking the new courses. Along with the present wood, metal, power, electric, and graphic arts courses, the Applied Technology classes will create a very well rounded Technical Education Department here at Custer.

# Foreign Language

German, Spanish, French and Latin can be taken throughout all three years at Custer. Learning the grammar, composition and the basics of a language is very interesting, but the students also learn about the people and their customs in the countries where these languages are spoken. Many of the classes take trips during the school year to places such as restaurants and museums as part of their learning experiences. Department chairperson, Mr. Gritt, has done a great job of making the Foreign Language Department one that is educational and enjoyable.

## Driver Education

Driver Education is a serious class taken by students who are sixteen or are soon to be sixteen. There are three sections to Drivers Ed.; simulation, classroom and behind the wheel. These sections can be taken in different order, just as long as the student learns the fundamentals of courteous and safe driving. The department chairman, Mr. Bahr, has a good program for those students who will be future drivers.

## Home Economics

The Home Economics Department offers a variety of courses designed to teach the students how to create a satisfying life. The curriculum contains general courses on foods and nutrition, and clothing, as well as courses that cover money management, family relations, home furnishing, and child development.

# Library

The library is not just a roomful of books. Filmstrips, records, and periodicals are also available. The librarians, Mr. Senn and Miss Syriopoulos, while trying to maintain peace and quiet, will also help students track down information necessary for book reports and research papers.

# Boys Cross Country

Custer's Cross Country team got off to a slow start in the '76' season. The team finally came through and managed to win the Northside Championship for the 2nd consecutive year and took 2nd in the Tech Invitational. Captains Karl Melnick and Dave Adams, the team's MVP's, led Custer to a 5th in the City. Top runners for Custer were Karl Melnick, Dave Adams, John Medved and Al Jansen. The team's main problem was inconsistency, as the scoreboard shows.

VARSIITY: Front Row: Karl Melnick, Dave Adams, Al Jansen, Jeff Adams; Back Row: Coach Krueger, Barbara Melnick, Mgr., Tom Meier, Steve Brurok; John Medved, Todd McFatrige, Cheryl Hass, Mgr.

## Boys Soccer

The Custer Soccer team this past year had a very successful season. They compiled a won-loss-tie record of 10-2-2. The losses came from the championship game and from Tech. Custer was led by Capt. Alan Augustin, Alex Vorissis and Capt. Chuck Engert. Leading scorers for the team were Claude Cielonko and Bryon Hackworth (8 and 9 goals, respectively). Custer had four players chosen for the All-City Gold Division Soccer team. Alan Augustin, fullback; John Yenor, goalie (2nd year selected); Alex Vorissis, halfback; and Bryon Hackworth, forward; were selected. John Yenor was this years MVP.

# Girls Volleyball

The team started out the season in the rebuilding stage because there were only two returning starters. Co-Captains Mary Zahn and Anne Steinacker led the team to a third place title in the City Conference. The team came back to surprise everyone by upsetting Madison and capturing the Regional Championship. The team went on to lose a close match to Whitefish Bay and place second in the Sectional Tournament. Dianne Dane was the MIP, and MVP honors went to Anne Steinacker.

## Girls Swim

The Girls Swim team didn't place as high as they had hoped in this year's city meet. They placed 8th. At the state sectional meet, the girls placed 7th. Even though they weren't one of the top teams in our conference, the girls broke eight school records out of eleven. This year's outstanding swimmers were Gwen Follansbee, 2nd in city in 100 yd. backstroke, 7th in city in 200 Individual Medley and 4th in state sectionals in 100 yd. backstroke; sophomore Julie Matuszak, 2nd in 500 yd. freestyle and 5th in the 200 yd. freestyle; and Sandy Whyte who had a good season in breaststroke.

JV: Front Row: Cindy Fischer, Lori Randl, Janet Green, Karen McEvoy, Judy Schottler, Lynn Sundquist; Second Row: Mary Hol-dorf, Pam Harvey, Lori Weismann, Brenda Lane, Wanda Jenzake, Sue Zywicki; Third Row: Kim Donnely, Chris Podewals, Coach Huth.

# Girls Cross Country

1976 was the first year of Custer's girls Cross Country team. Of all the first year teams in the city, Custer had the best. As the season progressed, the girl's times improved. The coach, Mr. George, was pleased because the team placed well in the City, and an impressive 5th place in the Sectional meet. Mary Ellen DeLaune and the team's Most Valuable runner, Lisa Omelina finished in the top 10. Mr. George looks to next year, because most of the young team will be returning to run the 2 mile course.

# Wrestling

The 1976-77 season was marked by a strong finish. The team won the last five meets in a row. The captains were Steve Butler and Paul DeLakis. Paul was ranked 5th in the State by CROSSFACE magazine. At the Pardeville Tourney, Tom Lupo and Kevin Whitehead both won their weight divisions. Steve Butler won his weight division at the Neenah Tourney. Phil Feilen, an outstanding wrestler, went as far as Sectionals. Kevin Whitehead won the team's Most Valuable award. Coach Borzykowski said the team was well-balanced. Next year, the team should do well. Returning lettermen are Kevin Whitehead, Tom Lupo, Wilbur Hopgood, Rick James, Bill Pace and Mark Harmon along with sophomore champions Mark Wallace, George Solberg and 2nd place finisher, Fred Griffin.

## Girls Basketball

This years team was the first basketball team to qualify for State in the history of Custer. Even though finishing third in the City Conference, the team came on strong at the end, when it counted. The strong defense which finished first in the City Conference was an asset to the teams decisive victories in the Regional and Sectional games. Allison Schwanda and Shauneille Harrell led the teams tough defense with Shauneille also leading all scorers on offense. Shauneille was also chosen to the All City Team for the second year in a row, and was this years MVP. Key rebounders during the season were Bernell Hooker, Betty Jiles and Anita Green. Next year will be a rebuilding year, with Bernell Hooker being the only returning starter.

# Gymnastics

This year, the gymnastics team had a very impressive season. They had a record of 4 wins and 3 losses. On the optional level, the girls combined their efforts to a fifth place in City and seventh in Regionals. Carie Wolff advanced to Sectionals on balance beam and Jaci Tolson also advanced to Sectionals on vault. For next year, Jaci and Carie have the determination to compete at the State meet. At the beginner level city meet, freshman Bonnie Brooks was first place in All-around. Carie Wolff was this year's MVP. Anne Steinacker was the captain and Holly Wilson was the co-captain.

# Boy's Baseball

Custer's Baseball team, this year, finished a respectable third in the Gold division. The team was led by the hitting of Keith Franklin, Rick Peck and Frank Wiencek with averages of .393, .388 and .307. The pitching chores were left to Bob Poplin, Tim McLaren and Rick Peck. Keith Franklin was named to the all-city team for the second straight year.

# Boy's Track

## State Champions

The Boy's Track Team had an outstanding season. The team took just about every track title there was. A Madison newspaper unofficially named Custer the State Indoor Champs. The team holds the Madison West Relays title, a 60 team meet, and the State Outdoor Championship. The team won the title in a joint effort. Mike Schlegel placed second and third in the 100 yard dash and the 220. Henry Wilson placed second in the high jump, and the mile relay team placed sixth. All the men on the team are champions, and Coach Potter is very proud of them. Because of the teachers' strike, the annual Custer Invitational was not held, but it will probably be back next year.

# Golf

For the 1977 Golf team, it was a rebuilding year. The considerably shortened season had a great effect on the team's performance. The team was led by only three returning lettermen; Dan Birch, Jeff Fromstein, and Jim Weber. Coach Vancos has very many hopeful sophomores coming back next year.

Danny Birch is really taking his chances with the coach!

Kneeling: Coach Vancos; Standing: Mike Bergman; Don Birch; Scott Pehowski; Stephen Pasholk; Steward Couillard; Gary Cullaz; Glen Rose; Jim Weber; Jeff Fromstein.

# Boy's Tennis

The Tennis team, with only two returning lettermen, Claude Cielonko and Jerry Hall, got off to a slow start. The team won all matches except their first against Riverside and their loss against Madison. Custer finished third in City by defeating Tech 3-2 in the Cross-over. In the City Tournament, sophomore Mike Arndt, playing first singles, placed fourth in City. At second singles, Jerry Hall also finished fourth. At third singles, sophomore Brian Williams played a tough match but was defeated to be knocked out of the tournament. At first Doubles Claude Cielonko and Mike Metrusias, who were undefeated the whole season, finished a disappointing fourth. And at second Doubles, Ken Chmielewski and Scott Alford lost their match and were knocked out of the Tournament.

# Girl's Track

The Girl's Track Team had tri-captains this year; Kim Davis, Shauneille Harrell and Ramona Land. Due to the strike and a lack of togetherness the team didn't come up to its expectations. It started when we had a surprise attack from Hamilton at the City Indoor Meet and lost. Coach Ferguson felt we were not good enough to compete in the State Indoor Meet so she pulled us out. When the City Outdoor Meet came we won by more than 40 points. Ramona Land won the 100 and 220 yard hurdles, Shauneille Harrell won the 100 yard dash, long jump and anchored the 440 relay, Kim Davis ran in the 880 and mile relay which both broke records, and Lisa Omelina won her favorite the 880 yard dash. The girls came back and won Regionals and Sectionals, and placed sixth in the State Meet. The team will be rebuilding next year with returning stars Jaci Tolson, Jackie Herd and Patty Clark.

Front Row: Coletta King, Stacy Patterson, Maralyn Christensen, Lisa Omelina, Kim Davis, Shauneille Harrell, Ramona Land, Carol Brown, Martha McCoy; Middle Row: Valerie Rayford, Cheryl McClean, Jackie Herd, Patty Clark, Mary Ellen DeLaune, Cindy Geise, Margaret Limbach, Chris Podewils, Sheryl Goodearle, Sharon Goodearle, Angela Williams, Danielle DePas, Marilyn Dembiec, Sandra Austin; Back Row: Coach Stolt, Coach George, Nancy Beamon, Jackie Woods, Jeri Ann Fischer, LaDon Herd, Ellen Christiansen, Karen Childs, Lesia Matthis, Anita Green, Judy Houdek, Yolanda McKinnie, Judy Howard, Jaci Tolson, Bernell Hooker, Pam Place, Tanya Allen, Coach Olson, Coach Ferguson.

# Girl's Soccer

This was the second year the girls at Custer have had an opportunity to play soccer. For some of the girls this is a brand new sport. They caught on quickly and have had a lot of fun playing soccer. Custer's soccer team played as a probationary team in the Wisconsin Women's Soccer League and hopes to gain full membership for next season. Mr. Lucht is the advisor for the team. Lee Cielonko is the dedicated coach of these girls, who led them to a record of 4 wins, 4 losses, and 3 ties.

# Softball

The Girl's Softball Team finished their season with a 3 and 3 record. Even though this was their first year of competition, the girls did a terrific job. The team was made up of 22 girls, and the 10 starters had nothing to worry about knowing that they had a strong back-up group. Spirit was one of our strongest points, for when we were behind in points we cheered our team on.

The people you see immortalized on this page devoted hours of their precious time selling ads, researching copy, typing pages, losing sleep, developing pictures, drawing layouts, sacrificing class time, and thinking up creative little touches that could never be printed. During 8th hour, they laughed and sang and argued and enjoyed the thrills of each other's company. They survived 100 degree heat during July to surmount the problems caused by the teachers' strike. I would like now to express my thanks and love to these dedicated and creative individuals who shared yearbooking with me. You're the greatest! A special thanks also goes to J. P. and J. H. (Padiddle!) for their usable and unusable contributions. To Mrs. Niggemeier, on behalf of the entire school, I'd like to express my heart felt gratitude and say THANK YOU for your endless patience, your persistent effort, and your valuable time. There are many more individuals responsible for the existence of this book who cannot be pictured, but my thanks to them, especially Gene Church, are just as sincere.

All the best, Therese and Anne

## Student Publications

Custer is fortunate to have three student-oriented publications. The most enduring is this book - the Warrior. Under the encouraging direction of Mrs. Niggemeier, staff members have attempted to capture impressions of today and to preserve the good times that happened just yesterday. In between rough draft sheets and finished pages, the staff learned the fine arts of procrastination and birthday party celebrations, the frustration of meeting deadlines, and the satisfaction of designing a book that reflects Custer in 1977.

The Custer Chronicle is the school's student newspaper. The main reason for its existence is to acquaint new students

with the school's many activities, to inform the student body of club and sports activities, and to give the student council and administration a forum for their respective policies. The Chronicle accomplishes these goals extremely well, thanks to a talented staff of editors and advisors. The Arrow, known to its members as the D.S.C.S. is Custer's literary magazine. The magazine's purpose is to provide a creative outlet for the aspiring writers and artists at Custer. Members read and edit submissions and then enjoy expressing their original, and sometimes irrelevant, ideas on the graffiti board.

ARROW STAFF: R. DePas, J. Hayden, J. Schwellinger, J. Gehrke, T. Shafranski, J. Petri, C. Hogan, Ms. Budahn.

## Theatre Arts

Students interested in the behind-the-scenes work of stage productions can serve the school as members of the Stage Crew or Make-Up Club. Members of the Make-Up Club learn the basic principles of Stage Make-Up by applying make-up for the cast of the spring musical and other stage productions. The Stage Crew provides lighting for auditorium programs and the annual water ballet show, as well as building sets for all of Custer's stage productions.

Student photographers, printers, and artists contribute to Custer's publications and publicity. The printing students print the school newspaper and literary magazine, as well as programs for shows presented at Custer. Student photographers take and develop many pictures used in the Warrior and the Chronicle. Art Service students' works decorate the art hall, as well as being used to promote Custer's major productions.

# Music

Custer's Music Department is composed of dedicated student musicians and singers. The Music Department appears at many school functions, such as football games, the school play, and the Winter and Spring Music Festivals. Also members of the Band and Orchestra compete in various competitions, all of which are designed to further their musical experience. Through hard work and determination, both in

the music classes and during practice hours, students can develop their individual talents and express themselves through the beauty of music. But the most profound effect that music has at Custer is the spirit it generates in the students at ball games, programs, music festivals and plays. Custer owes much to its outstanding music department for without it Custer would be far less interesting and dynamic.

# Academic Enrichment

Several clubs at Custer focus on academic subjects. The Science Club, Computer Club, and History Club give motivated students an opportunity to pursue their interests in an informal setting. Debate and forensics attract students who are eager to develop or refine their speaking skills. Participation includes competition in tournaments throughout Southeastern Wisconsin, and as a result of affective coaching, Custer students consistently qualify for State Championship Competition. Math oriented students have a chance to compete in city-wide math meets as members of the math track club and social studies students have an opportunity to study foreign policy as members of the Model U.N. This year, Custer represented Chile and Yugoslavia for two days at the University of Wisconsin - Milwaukee. The Chess Club captured a well-earned third place on the state level. As members of any of these clubs will testify, field trips, friendships, and fun add value to such learning experiences - and the awards are just fringe benefits.

SCIENCE CLUB: B. Murray, D. Mills, C. Schmidt, K. Peterson, T. Larson, Mrs. Collins.

COMPUTER CLUB: G. Cullaz, S. Coulliard, J. Behrs, Mrs. Gregar, D. Rasmussen, D. Hoya, G. Moon, R. Land, E. O'Mahar.

Custer's foreign language clubs provide an extension to the regular foreign language classes. Trips to Europe and ethnic restaurants in Milwaukee offer French and German students many cultural opportunities which are not included in the classroom curriculum. Members of the Latin Club and the Wisconsin Junior Classical League compete intermurally for prizes, as well as attending national conventions each summer.

# Service

Volunteers at Custer have many choices. Many of the students selected as members of the National Honor Society participated in their annual Winter Service Project, by entertaining patients at Children's Hospital. Students involved in Custer High Service (FTA) sponsored a school-wide spelling bee in addition to their regular activities. CHS Homeroom Monitors also take attendance for absent teachers. The Human Relations Club strives to develop programs and activities that will encourage understanding relationships between different ethnic and racial groups. This year, the club sponsored a sophomore "Get Involved" campaign to make new students aware of Custer's many activities. There are numerous other groups without whose service the school could not function smoothly.

Behind the precision performances of the Drill Team and Color Guard are hours of practice spent in developing, rehearsing and learning basic moves that add sparkle to athletic events. Backing up these groups is Custer's enthusiastic Pep Club which provides the noise to match the activity on the field. However, not all athletic clubs participate in the gym or stadium. Some, like the Horse Club, take trips to both indoor and outdoor stables. Others, like Naiadas, spend countless hours in the pool preparing for their Annual Spring Show. And Custer's most popular club, the Ski Club, with over 300 members, celebrates the snowy winter weather that others dread.

## Seeing Hearing Tasting Smelling Touching

### 1977 — A Handful Of Memories

Our todays are similar to those of our predecessors. Like them, we experienced the same traditions and the same emotions of growing up. Because of this, today held a sense of security. Yet, we differ from our predecessors in that the tomorrow we're reaching for holds challenges and opportunities that never before existed. And even though we try to live for the moment, sneaking a glimpse at tomorrow cannot be resisted. Yesterdays begin to pile up and it is then that we realize that to reach out, you have to let go.
